

Red Circle

A very high yielding, long term, top quality grazing mixture

Use: Cut & Graze

Red Circle is a very high yielding, long term, top quality grazing mixture that gives quality silage if required. Suitable for all livestock.

Red Circle is also available without Clover as Red Rotational.

Organic Red Circle is available without seed treatments and with organically produced constituents.

Strengths

- Good Early Spring Growth
- Very High Quality
- Adaptable
- Long Lasting
- Easy to Manage
- Extended Grazing
- Excellent Animal Performance
- Excellent Palatability

Technical Information

Very high quality is achieved by using a carefully selected blend of late heading perennial ryegrasses, clovers and Timothy which have a high D value combined with high levels of sugar, minerals and protein content. Red Circle will also

Quality Seed – direct from breeder to farmer
