

Silver Circle

A 3 year ley, ideal for fattening lambs and beef animals

Use: Cut & Graze

Silver Circle is a 3 year ley, ideal for fattening lambs and beef animals, which can also be used to produce heavy cuts of quality silage or hay if required.

The inclusion of high yielding Hybrid Italian and Early Perennial Ryegrasses gives bulky early production which allows high stocking rates.

Strengths

- High Stocking Rates
- Continuous Growth throughout the Season
- Good Early Spring Growth
- Palatable grazing
- Quality hay and silage
- Excellent ground cover
- Good poaching resistance

Technical Information

Silver Circle contains varieties with excellent early growth which allows for an early turn out of stock and a huge saving in concentrate bills.

Early Perennial Ryegrass	290 Seeds/m ²
